The Liquidation Channel (LC) is delighted to announce the return of its Diamond Smackdown event. The Diamond Smackdown has continuously been voted one of the most anticipated events of the year by LC customers, and will feature an entire day of amazing deals on dazzling diamond jewelry.

This highly anticipated 27 –hour, coast-to-coast event starts on Saturday, November 1 at 11 p.m. and ends at 1:59 p.m. CT.

LC president Gerald Tempton says, “With the holidays just around the corner, we thought, what better way to prepare for this holiday season than by having an entire day dedicated to diamonds? We will be showcasing our best diamond jewelry collection at unbelievable prices all day long! This is the perfect opportunity of customers to stock up on amazing presents for the holidays.”

Diamonds have long been considered one of the most valuable and desirable gemstones of all time and are in a class by themselves. They are the hardest natural mineral substance found on Earth and are between 1 to 3 billion years old. Approximately 250 tons of earth needs to be mined in order to produce a single one-carat diamond. Today, diamonds are valued according to their cut, color, carat, and clarity.

The Diamond Smackdown will also feature special guest appearances from some of your favorite LC team members who will be bringing big offers and deals of their own.
