### **LC partners with famous British jewelry designer**

The Liquidation Channel (LC) is excited to announce their partnership with celebrated British jewelry designer Rachel Galley. Rachel is a British jewelry designer, who is famously known around Europe and for designing jewelry for well-known celebrities. Her modern yet timeless designs can frequently be found on Europe's hottest fashion runways.

Rachel Galley is in the forefront of fashion, her goal is to design beautiful and timeless pieces of jewelry while making sure that each piece—from the smallest earrings to the largest cuff—has that essential 'wow' factor.

Galley has an astonishing talent for creating stunning designs. Her collection of elegant and stylish designs pulls inspiration from nature, architecture, culture and history. While her fun designs capture attention on the catwalk, they are also perfect for everyday occasions. Her signature lattice work design lets the jewelry reflect light and display a remarkable diamond-like sparkle.

LC host, Sarah Coutts says, "Rachel Galley's designs are one-of-a-kind, and each piece is carefully made to bring the best quality to customers."

LC buyers are always looking for the next big thing in fashion, which is why we have brought this exquisite and exclusive jewelry collection to our customers. Through Rachel Galley's extensive relationship with LC's sister channel, we are now able to bring Galley's special Jewellery Channel collection here to the LC.

Galley's work is renowned in the jewelry industry and has earned multiple awards and recognitions, including:
