

Liquidation Channel Press Release

For Immediate Release

Summary: Liquidation Channel visits the Tucson Gemshow.

LC takes over Tucson in search of new gemstones, jewelry

When gemstone and jewelry traders from all over the world flood the city of Tucson for a two-week trade show spectacular, the Liquidation Channel (LC) shows up in full force.

During the first week of February, LC's nine-member team scoured the city in the search of beautiful gemstones and exciting jewelry pieces to bring to their home-shopping channel.

The Tucson Gem, Mineral & Fossil Showcase is a multi-exhibit event that covers the city in a sprawling bazaar of gem and jewelry wholesalers. Vendors sell everything from boulder-sized rough gemstone to finished jewelry pieces, and show locations can vary from huge hotel ballrooms to road-side pop-up tents. Thousands of treasure hunters negotiate and haggle for the best deals for their retail shops.

"I think that LC family members are going to be really excited when they see what all we found," said LC buyer Megan Lurvey. "We've seen a lot of innovative metal work and a whole rainbow of stone options here in Tucson"

Stay tuned for a series of sneak peek videos that will be airing on the LC television channel over the next few weeks, and get ready for all new items carrying the LC promise of "Exceptional Quality, Exquisite Designs, Outstanding Value."
